

## Lab - Investigate Support Websites and Repair Companies

In this lab, you will investigate the services provided by a local laptop repair company, or a laptop manufacturer's support website. Use the Internet or a local phone directory to locate a local laptop repair company or laptop manufacturer's support website. Answer the following questions:

### Local Laptop Repair Company

1. What different types of services does the repair company offer?
2. What brand(s) of laptop computers can be repaired at this repair company?
3. What type(s) of warranty is offered at this repair company?
4. Does the staff have industry certifications? If so, what are the certifications?
5. Is there a guaranteed completion time for repairs? If so, what are the details?
6. Does the repair company offer remote technical services?

### Laptop Manufacturer Support Website

1. What steps are required for locating device drivers for a laptop?
