

## Lab – Research Laptop Batteries

In this lab, you will use the Internet, newspaper, or a local store to gather information and then record the specifications for a laptop battery.

1. List the specifications for a laptop battery. Please ask your instructor for the laptop model to research.

2. Shop around, and in the table below list the features and cost for a generic and a laptop battery from the manufacturer of the laptop.

Battery Specifications	Generic	Manufacturer
Output voltage		
Battery cell configuration ex: 6-Cell, 9-Cell		
Dimensions		
Hours of life		
Approximate cost		

3. Based on your research, which battery would you select? Be prepared to discuss your decisions regarding the battery you select.
